★ STAR SIGNALS ★

WE OWE IT ALL TO YOU!

***** Yahoo! Star Comics is only four months old, and we already seem to be a hit! Your letters of support and encouragement have been pouring into our offices here at 387 Park at a phenomenal rate. (In fact, our poor mailman can barely keep up with it all!) Your response to Star has been so overwhelmingly positive that it's almost embarrassing! On the behalf of Sid Jacobson, Larry Hama and all of our writers and artists, I'd like to thank you from the bottom of my heart! You've really made us feel welcomed, and we appreciate it! You're very special to us!

SPEAKING OF LETTERS . . .

***** We've been flooded by thousands of questions about Star, and I'd like to take this opportunity to answer just a few of them:

Will Star Comics have special double-sized issues and annuals like certain *Marvel Comics*?

Brian Huen, S.T.A.R.
Sunnyvale, California

*** Probably, Brian! Which titles would you like to see in this format?

What does S.T.A.R. stand for?
James W. Townsend, S.T.A.R.
Douglas, Arizona

*** It stands for the "Society of Terrific and Appreciated Readers", James! And you became a

member of our most exclusive club when you bought your first Star Comic!

Will Heathcliff talk in your comic books?

Jeff Bowling, S.T.A.R.
Winchester, Tennessee

*** Gee, that's really up to Heathcliff, Jeff! He usually doesn't talk in his regular newspaper comic strip, so I don't know if he'll feel like talking in his comic book. Only time will tell . . .

How about coming out with a Star Team-up?

Mike Sugarbaker, S.T.A.R.
Albany, California

*** That's an interesting idea, Mike. Which characters would you like to see teamed-up?

Could you have Spider-Ham meet Spider-Man?

Larry Valente, S.T.A.R.
New Fairfield, Connecticut

*** Anything's possible, Larry! What do the rest of you readers think of such a team-up? (By the way, some of you — like Jimmy Collier of Harbor City, California — really enjoyed seeing Spider-Man appear in *Top Dog* and *Wally the Wizard* #1. Others — like Philippe Dejean of the Bronx, New York — weren't so pleased. How did the rest of you feel about it?)

The symbol on Planet Terry's chest looks like the mark of a Kree officer? How is Terry related to the Marvel Universe?

Meron Langaner, S.T.A.R.
East Northport, New York

*** I'm afraid we'll have to wait for a future story before we find out, Meron!

That's all the letters for now! Your comments and suggestions are real important to us, so please keep writing! You can send your letters to any of our individual titles, or write directly to me. My address is:

NEXT MONTH

***** I'll introduce you to our superstar Assistant Editors *Sweet Nancy Brown* and *Pat the Rookie Redding* . . . and I'm going to make a special announcement about some all-new Star Comical! (Yes, we're going to be adding some new titles — because you demanded it!) Until then . . .

Thanks for being there!
